FOR IMMEDIATE PRESS RELEASE

JAX India 2008— The Independent Annual No.1 Conference for Java, Enterprise Architecture, SOA and Eclipse takes place for the second time

Bangalore, April, 02 2008: SDA India, proudly presents the second annual JAX India 2008. JAX India 2008 is an independent conference on enterprise topics such as Enterprise Java, Eclipse, SOA, Web Services, Enterprise Architectures, SOA Technologies, SOA Governance, Enterprise Collaboration and many more.

JAX is S&S Media's flagship brand for Java, Enterprise Architectures, and SOA, ranking amongst the largest and most important events for enterprise technologies worldwide. From 8th-11th April, 2008, JAX India is taking place for the second time at Bangalore's JN Tata Auditorium, providing the highly-skilled Indian audience a chance to meet and interact with the most renowned speakers from the US, Europe, and the rest of the world.

JAX India 2008 is accompanied by two sister conferences, Enterprise Architecture Conference India and Eclipse Forum India, covering nowadays most important technology topics in one event.

With big names in the industry like Microsoft, Sun Microsystems, Codegear among others backing up the event, JAX India 2008 focuses on visionaries, industry luminaries, software developers, architects and IT consultants. Attendees are treated with top-notch sessions from well-known experts in the industry, to name a few:

- Chris Aniszczyk (Eclipse committer, IBM Lotus)
- Wayne Beaton (Evangelist, The Eclipse Foundation)
- Mike Keith (Architect for Java persistence strategies at Oracle)
- Guillaume Laforge (Groovy Project Manager and Spec Lead of JSR-241)
- Michael Johann (Former CEO and founder of CARNOT AG)
- Vivek Singh (Senior Developer at ThoughtWorks)

All three conferences take place at the same time and venue, at the J N Tata Auditorium, Indian Institute of Science (IISc) Bangalore, India. Participants have unlimited access to all three conferences as well as to the joint expo that is expected to feature several exhibitor products and services.

Information on the conference is available at: www.jax-india.com
